General Contest Mechanics

1. Each contestant must be a bona fide student of Sauyo High School.
2. Twelve finalists who were chosen from the Elimination round will be rated based on their talent, introduction and pickup line, casual wear, sports wear, and formal wear. The talent portion was already completed so the final round will be focused on the introduction and the three wear competitions.
3. The Introduction will be rated based on the following criteria:
 - a. Confidence & Poise (30 Points)
 - b. Uniqueness & Style (25 Points)
 - c. Pickup Line (20 Points)
 - d. Stage Presence (15 Points)
 - e. Overall Impression (10 Points)

The highest possible score is 100 points.

4. The casual wear, sports wear, and formal wear competitions will be rated based on the following criteria:
 - a. Poise & Projection (30%)
 - b. Aesthetics (25%)
 - c. Suitability of Attire (20%)
 - d. Stage Presence (15%)
 - e. Audience Impact (10%)

The highest possible score is 100%.

5. The finalists will be ranked based on their scores in the introduction and the three wear competitions. The top 5 finalists, whom we will call the “Idol 5”, will compete in the Question and Answer Portion. In the Question and Answer Portion, the scores accumulated from the introduction and the wear competitions will be set back to zero.
6. The Question and Answer Portion will be rated based on the following criteria:
 - a. Creativity of Answer (40 Points)
 - b. Confidence (30 Points)
 - c. Clarity of Thoughts (30 Points)

The highest possible score is 100 points.

7. The “Idol 5” will be ranked based on their scores in the Question and Answer Portion. The top 3 finalists will be given the titles of Second Runner Up, First Runner Up, and the Math-tinee Idol 2019.
